I'm a passionate student of Information Technology with experience in Flutter, graphic designing, as well as Backend and web development. I love learning and applying my skills to create innovative and practical solutions to real-world problems. In my free time, I enjoy reading tech blogs, participating in coding challenges, and exploring new technologies. I'm a team player with strong communication and problem-solving skills, and I'm always eager to collaborate with others and share my knowledge.

SKILLS

- Programming Languages: C/C++, JavaScript, Dart, Python
- Tools & Platforms: Git, GitHub, VS Code, Vercel, Firebase, Heroku, Android Studio
- Frameworks & Libraries: Flutter, React.js, Next.js, Node.js, Tailwind CSS, Material UI

PROJECTS

Safe Women

April 2023 - May 2023

- Firebase is used as the Backend database and authentication, and Flutter as the language
- SOS Feature in panic mode
- Live location tracking, with inbuilt google maps integration
- Inbuilt chat feature with guardians, with image and location sharing
- Other location/places reviews
- Profile section with update profile option
- Nearby emergency requirements (e.g. Nearby pharmacy) in google maps integration

Apna Wallet

April 2023 - May 2023

- Hive is used as the local database, local authentication for biometric authentication, and Flutter as the language
- Biometric authentication integration
- Transaction history is stored in a local database and total balance and total income/expense are calculated
- Month-wise report with expense graph
- Profile option with authentication on/off features

EDUCATION

Asansol Engineering College

Bachelor of Technology in Information Technology — 8.2 YGPA

July 2020 — June 2025

Asansol, West Bengal

Purulia Zilla School, Purulia

Higher Secondary — 85%

April 2019 — April 2021

Purulia, West Bengal

ACTIVITIES

Coordinator of college coding community - Coddict

In between Top 10 participants of E-Submit' 2023 -IIT BHU

3rd in Inter College Hackathon – KAVACH 2023, Asansol Engineering College

Nov 2022 — Present

Jan' 2023

April' 2023
